

# Sugar Loaf Golf Course COVID-19 Guidelines

These are unprecedented times, and we are taking the necessary steps to insure a safe and enjoyable visit to The Old Course. We have reviewed other course policies along with Federal/State guidelines and have adopted the following:

[Executive Order 2020-77](#)

## WHEN YOU ARRIVE

Please avoid all unnecessary congregating in the parking lot. Try and park at least one vehicle width away from other vehicles. If you need to enter the pro-shop use the East door, when you exit the pro-shop use the South door. Be mindful of others and always practice social distancing.

## RESTROOMS

Our pro-shop is open so you may enter **(one person at a time)** to use the restrooms. We will be taking measures to sanitize the touch points on an hourly basis. Please avoid unnecessary contact. Wash hands and use the hand sanitizer provided throughout the building.

## GOLF CARTS

Golf carts are available for use and we are allowed two people per cart.

We will allow single use carts for people who are not comfortable riding with another. Under certain circumstances a wait time may occur with additional steps take for disinfecting the carts between usage. We ask for your cooperation in bringing your own disinfectants to wipe the cart if you are sharing with another golfer.

## FOOD, BEVERAGE, & MERCHANDISE

At this time, we will have minimum food and beverages available for take-out only. We do have seating available on our patio until further notice. Feel free to bring your own alcoholic beverages until our policy change with the procurement of our State issued liquor license. Any merchandise **MUST** be done curbside i.e. tees, golf balls. **We ask that you remove all items you have brought to the course at the end of your round.** Trash and beverage return receptacles will be provided near the cart return area.

## GOLF & DRIVING RANGE

We are taking precautions on the golf course to limit touch points within its boundaries. We appreciate your cooperation so that we may continue to keep everyone safe and healthy.

- **Flag Sticks-** Please do not remove the flag sticks. We have placed foam tubes around the base to prevent the ball from dropping into the cup.
- **Sand Bunkers-** all rakes have been removed from the course. We will mechanically rake the bunkers periodically. Preferred lies in sand bunkers is allowed until further notice.
- **Driving Range-** Baskets will be sanitized after usage. Range balls will be sanitized after every picking. Once on the range, you **MUST** adhere to the six-foot social distancing rule. We have staggered the stations at the driving range eight feet apart. Please **DO NOT** congregate in groups at the range. **Respect and practice social distancing guidelines always.**
- **Club Rentals-** Until further notice club rental is not available.
- **Golf Course Accessories-** To also eliminate additional touch points, ball washers, tee markers, yardage markers, and water coolers, will not be positioned until further notice.
- **Port-a-potties-** Units on both nines have hand sanitizer within. Please utilize them and report any supply deficiencies.

We look forward to working together to make things as safe as possible. We recommend that you bring antiseptic wipes to utilize during your round.

**IT IS YOUR RESPONSIBILITY TO PRACTICE SOCIAL DISTANCING.**

Thank you,

Your management team at Sugar Loaf The Old Course
